SUCCESSFUL STORIES_ By Students

Artificial Intelligence

Algor

https://www.algoreducation.com/

La miglior Stratup Innovativa in campo ICT e sociale è nata al Politecnico

Gennaio 2021

Vittoria Challenge@Polito

A pochi mesi dall'inizio, nasce il primo prototipo in grado di creare mappe concettuali in modo automatico. Ciò permette ad Algor di vincere la Challenge proposta dal Politecnico di Torino, che rappresenta il primo successo legato al progetto.

Space Economy

PoliTO main entrance

ABOUT THE USE OF SPACES

CLIK
CONNECTION LAB AND INNOVATION KITCHEN

The 6D room is available for you to meet and work on your project together.

The classroom is open from Monday to Friday from 9 am to 5 pm approximately.
Please send an e-mail to clik@polito.it to book your entrance indicating:

- name of the challenge
- name of the team
- desired day and time.

Requests should be received at least two days in advance.

The weekly meeting with the mentors could be done online. In agreement with them, you can meet in different times from what indicated above, always communicating the meeting to CLIK.
